<sup>(1)</sup> Under net leases, tenant is generally responsible for substantially all of its share of operating expenses while the Company is responsible for some or all capital expenditures. Under absolute net leases, tenant is generally responsible for substantially all expenses. Under modified gross / base year leases, tenant's share of operating expenses in the first year is considered the "base year" and any increase in operating expenses beyond the "base year" is generally recoverable from the tenant. Under gross leases, tenant's share of operating expenses is presumed to be included in the rental rate.

## Forward Looking Statements

References in this supplemental to the "Company," "we," "us" and "our" refer to National Healthcare Properties, Inc. and its consolidated subsidiaries. This supplemental may contain "forward-looking" statements as defined in the Private Securities Litigation Reform Act of 1995. These forward-looking statements concern and are based upon, among other things, the possible expansion of the Company's portfolio; the sale of properties; the performance of its operators/tenants and properties; its ability to enter into agreements with new viable tenants for vacant space on favorable terms, or at all; its occupancy rates; its ability to acquire, develop and/or manage properties; its ability to make distributions to shareholders; its policies and plans regarding investments, financings and other matters; its tax status as a real estate investment trust; its critical accounting policies; its ability to appropriately balance the use of debt and equity; its ability to access capital markets or other sources of funds; and its ability to finance and complete, and the effect of, future acquisitions. When the Company uses words such as "may," "will," "intend," "should," "believe," "expect," "anticipate," "project," "estimate" or similar expressions, it is making forward-looking statements. Forward-looking statements are not guarantees of future performance and involve risks and uncertainties. The Company's expected results may not be achieved, and actual results may differ materially from expectations. This may be a result of various factors, including, but not limited to: the risks associated the recent internalization of the Company's property management and advisory functions; the geopolitical instability due to the ongoing military conflicts between Russia and Ukraine, including related impact on the Company, its tenants and operators and the global economy and financial markets; the increased economic and political uncertainties due to the tariffs imposed by, or imposed on, the United States and its trading relationships; material differences between actual results and the assumptions, projections and estimates of occupancy rates, rental rates, operating expenses and required capital expenditures; the status of capital markets, including the availability and cost of capital; issues facing the healthcare industry, including compliance with, and changes to, regulations and payment policies, responding to government investigations and punitive settlements and operators'/tenants' difficulty in cost-effectively obtaining and maintaining adequate liability and other insurance; changes in financing terms; competition within the healthcare and seniors housing industries; negative developments in the operating results or financial condition of operators/tenants, including, but not limited to, their ability to pay rent and repay loans; the Company's ability to complete, successfully integrate, operate, or manage the pending acquisitions described in this supplemental; the Company's ability to transition or sell facilities with profitable results; the failure to make new investments as and when anticipated; acts of God affecting the Company's properties, including extreme weather; the Company's ability to re-lease space at similar rates as vacancies occur; the failure of closings to occur as and when anticipated, including the receipt of third-party approvals and healthcare licenses without unexpected delays or conditions; the Company's ability to timely reinvest sale proceeds at similar rates to assets sold; operator/tenant or joint venture partner bankruptcies or insolvencies; the cooperation of joint venture partners; government regulations affecting Medicare and Medicaid reimbursement rates and operational requirements; liability or contract claims by or against operators/tenants; unanticipated difficulties and/or expenditures relating to future acquisitions and the integration of multi-property acquisitions; environmental laws affecting the Company's properties; changes in rules or practices governing the Company's financial reporting; legal and operational matters, including real estate investment trust qualification and key management personnel recruitment and retention; and other risks and uncertainties relating to the Company described in the section titled Risk Factors of the Company's most recent Annual Report on Form 10-K for the year ended December 31, 2024 and all other filings with the Securities and Exchange Commission (the "SEC"). Finally, the Company assumes no obligation to update or revise any forward-looking statements or to update the reasons why actual results could differ from those projected in any forward-looking statements. Unless otherwise indicated herein, the financial results and other information included in this supplemental are based on the financial results and information disclosed in the Company's Form 10-K for the year ended December 31, 2024 and Form 10-Q for the quarter ended September 30, 2025 and other information filed with, or furnished to, the SEC.

## Non-GAAP Financial Measures

This supplemental includes certain non-GAAP financial measures, including FFO, AFFO, EBITDA, Adjusted EBITDA, NOI, Cash NOI and Same Store Cash NOI. While the Company believes that non-GAAP financial measures are helpful in evaluating its operating performance, the use of non-GAAP financial measures in this supplemental should not be considered in isolation from, or as an alternative for, a measure of financial or operating performance as defined by GAAP. There are inherent limitations associated with the use of each of these supplemental non-GAAP financial measures as an analytical tool. Additionally, the Company's computation of non-GAAP financial measures may not be comparable to those reported by other REITs. Reconciliations of these non-GAAP financial measures to the most directly comparable GAAP measures are provided herein.

# Defined Terms

## **FFO**

FFO is a standard REIT industry metric defined by NAREIT as net income or loss (computed in accordance with GAAP), adjusted for (i) real estate-related depreciation and amortization, (ii) impairment charges on depreciable real property, (iii) gains or losses from sales of depreciable real property and (iv) similar adjustments for non-controlling interests and unconsolidated entities.

## **AFFO**

The Company calculates AFFO by further adjusting FFO to reflect the performance of its portfolio for items it believes are not directly attributable to its operations. The Company's adjustments to FFO to arrive at AFFO include removing the impacts of (i) amortization of market-lease intangible assets and liabilities, (ii) adjustments for straight-line rent, (iii) acquisition and transaction related costs (including certain expenses directly related to its internalization and reverse stock-split), (iv) termination fees to related parties, (v) equity-based compensation expense, (vi) depreciation and amortization related to non-real estate related assets, (vii) mark-to-market gains and losses related to non-designated derivatives, (viii) non-cash components of interest expense, (ix) gains and losses on extinguishment of debt, (x) casualty-related charges, and (xi) similar adjustments for non-controlling interests.

## **Adjusted EBITDA**

Adjusted EBITDA is defined as EBITDA, excluding (i) acquisition and transaction related costs; (ii) termination fees to related parties; (iii) impairment charges; (iv) casualty-related charges; (v) gains and losses on sale of real estate investments; (vi) gains and losses on extinguishment of debt; (vii) gains and losses on our derivatives; and (viii) non-cash items such as amortization of intangibles and equity-based compensation.

## **Annualized Adjusted EBITDA**

Annualized Adjusted EBITDA means Adjusted EBITDA for the specified quarter, multiplied by four.

## **Annualized Base Rent (“ABR”)**

The Company defines Annualized Base Rent as contractual base rent for the last month of the period multiplied by 12. Annualized Base Rent does not include future rent escalators, percentage rent, which is a rental charge typically based on certain tenants' gross revenue, common area maintenance charges or non-cash items such as straight-line rental income, the amortization of above- or below-market lease intangibles or other items.

## **Annualized Cash NOI**

The Company defines Annualized Cash NOI for the specified quarter, multiplied by four.

## **Cash NOI**

Cash NOI is defined as NOI excluding non-cash items such as straight-line rent adjustments and amortization of above and below market lease and lease intangibles that are included in GAAP revenue from tenants and property operating and maintenance.

# Defined Terms

## **Cash NOI Margin**

For the SHOP segment, Cash NOI divided by revenue from tenants or residents excluding net amortization of above- and below-market lease and lease intangibles.

## **Credit Rating**

Credit Ratings presented for Moody's, S&P and Fitch except where noted and represents direct leases to investment grade entities and their subsidiaries. Parent or guarantor of tenant's payment obligations rating used where direct tenant is not rated.

## **EBITDA**

EBITDA is a non-GAAP financial measure that is defined as earnings before interest, taxes, depreciation and amortization.

## **GLA**

GLA means gross leasable area (in square feet).

## **Initial Capital Expenditures / Acquisitions**

Includes costs incurred to bring a newly acquired property up to standard. The expenditures are typically identified during underwriting and incurred within the first year of ownership.

## **Leased % or Ending occupancy**

Leased % or Ending occupancy for the OMF segment is presented as of the end of the period shown.

## **Average occupancy**

Average occupancy for the SHOP segment is presented for the duration of the period shown, unless otherwise specified.

## **Net Debt**

Net debt means total gross debt less cash and cash equivalents.

## **Net Debt to Annualized Adjusted EBITDA or Net Leverage**

Net Debt to Annualized Adjusted EBITDA or Net Leverage means Net Debt divided by Annualized Adjusted EBITDA.

## **Net Debt to Gross Asset Value**

Net Debt divided by the total real estate investments, at cost, net of gross market lease intangibles.

## **Net Operating Income ("NOI")**

NOI is a non-GAAP financial measure which is defined as total revenue from tenants, less property operating and maintenance costs. As such, this excludes all other items of expense and income included in the consolidated financial statements in calculating consolidated net income (loss) before income taxes.

# Defined Terms

## **Non-Core Properties**

Non-Core properties are assets that have been deemed not essential to generating future economic benefit or value to our day-to-day operations and/or are scheduled to be sold.

## **Reclassification**

Certain 2025 and 2024 amounts have been reclassified from general and administrative to property operating and maintenance to align with the current period presentation.

## **Recurring Capital Expenditures**

Recurring capital expenditures are capital expenditures incurred to maintain the properties in current market condition and which are generally recurring in nature.

## **Revenue Enhancing Capital Expenditures**

Includes costs incurred that are expected to result in increased income generation or value of the properties over time.

## **RevPOR**

Revenue per occupied room for the SHOP segment. RevPOR is calculated as total revenue generated by occupied rooms divided by the number of occupied rooms.

## **Same Store**

The Company defines Same Store as operational properties owned by the Company for the full duration of the applicable comparative periods and that are not otherwise excluded. Properties are excluded from "same store" if they are (i) Non-Core Properties, (ii) sold, classified as held for sale, or classified as discontinued operations in accordance with GAAP, (iii) impacted by materially disruptive events, or (iv) undergoing, or intended to undergo, significant redevelopment. Redeveloped properties in our OMF segment will be included in Same Store once substantial completion of work has occurred for the full period in the periods presented.

Redeveloped properties in the OMF segment will be included in same store once substantial completion of work has occurred for the full period in the periods presented.

## **Same Store Cash NOI**

Same Store Cash NOI is defined as Cash NOI for our Same Store properties.

## **Weighted-Average Lease Term Remaining ("WALTR")**

WALTR means the average lease term remaining, weighted based on occupied square feet.
